5 **1. That §§ 22.1-238, 22.1-239, 2.2-241, 22.1-242, and 22.1-243 of the Code of Virginia are amended**
6 **and reenacted as follows:**

7 § 22.1-238. Approval of textbooks.

8 A. The Board of Education shall have the authority to approve textbooks suitable for use in the
9 public schools and shall have authority to approve instructional aids and materials for use in the public
10 schools.

11 B. Any school board may use textbooks not approved by the Board provided the school board
12 selects such books in accordance with regulations promulgated by the Board.

13 ~~B. In approving basal textbooks for reading in kindergarten through first grade, the Board shall~~
14 ~~report to local school boards those textbooks with a minimum decodability standard based on words that~~
15 ~~students can correctly read by properly attaching speech sounds to each letter to formulate the word at~~
16 ~~seventy percent or above for such textbooks.~~

17 C. For the purposes of this chapter, the term textbooks means a print, electronic, online, or
18 manipulatives-based program; comprised of an organized sequence of text, graphics, still or motion
19 images, and other sensory and informational media; serving as a curriculum supplement for structured
20 teaching and learning; and substantially supporting a set of standards for a grade-level subject or course.
21 For purposes of this chapter, the term textbook does not include consumable materials or workbooks.

22 § 22.1-239. Basal textbooks.

23 ~~No textbook approved by the Board for use in the public schools shall be changed until such~~
24 ~~book has been in use for a period of not less than six years, subject to renewal from one to four years,~~

~~unless such book becomes obsolete or unless a change would result in a material decrease in price. The Board may, by agreement with the publisher, permit the substitution of a revised edition of any adopted book at the lowest price such revised edition is offered for sale anywhere in the United States. Whenever such book is so changed, the Board of Education may permit the use of the old books for a period of at least three years from the date of such change.~~

In approving basal textbooks for reading in kindergarten through first grade, the Board shall report to local school boards those textbooks with a minimum decodability standard based on words that students can correctly read by properly attaching speech sounds to each letter to formulate the word at 70 percent or above for such textbooks.

§ 22.1-241. Contracts with publishers.

A. ~~The Board of Education~~ Local school boards shall enter into written contracts with publishers of textbooks approved by ~~it~~ the Board for use in the public schools.

~~B.~~ The contract price shall not exceed the lowest wholesale price ~~free on board publisher~~ at which the book or books involved in the contract are currently bid under contract anywhere in the United States. ~~The Board shall stipulate the price at which school boards may sell the book or books, which price shall in no case exceed fifteen percent added to the wholesale price.~~

~~C.~~ If, subsequent to the date of any contract entered into by ~~the Board~~ a local school board, the prices of books named in the contract are reduced or the terms of the contract are made more favorable to purchase anywhere in the United States or a special or other edition of any book named in the contract is sold outside of Virginia at a lower price than ~~bid contracted~~ in ~~this~~ the Commonwealth, the publisher shall, ~~in the discretion of the Board of Education,~~ grant the same reduction or terms to the ~~Board~~ local school board and give the ~~Board~~ local school board the option of using such special or other edition adapted for use in Virginia and at the lowest price at which such special edition is sold elsewhere and the contract shall so state.

~~DB.~~ ~~The publisher shall furnish sample copies of all books mentioned in the contract with the Board of Education and shall guarantee that the books bid in the contract are equal in all respects to such sample copies.~~ Contracts with publishers of textbooks approved by the Board shall require the publisher

52 to furnish an electronic file of the textbook in the National Instructional Materials Accessibility
 53 Standards (NIMAS) format that will then be deposited in the Accessible Instructional Materials Center
 54 of Virginia from which accessible versions of the particular textbook may be produced for students with
 55 print disabilities. Publishers shall deliver the NIMAS file of the textbook on or before the date of
 56 delivery of the regular text version.

57 ~~E. When such technology is available or by January 1, 1998, whichever is earlier, contracts with~~
 58 ~~publishers of textbooks adopted by the Board shall require the publisher to furnish electronic text from~~
 59 ~~which Braille versions of the particular textbook may be produced.~~

60 C. Every school board shall order directly from the respective publishers the books needed to
 61 supply the public schools in the school division. The publishers shall ship the books to the school board.
 62 The purchase price of such books shall be paid directly to the publishers by the school board.

63 § 22.1-242. State Board to adopt regulations.

64 ~~Each contract made by the Board with the publisher of textbooks shall be accompanied by a~~
 65 ~~bond with good and sufficient surety in the penal sum of not less than \$1,000 nor more than \$20,000.~~
 66 ~~Such bond shall be approved by the Board and shall be conditioned upon the performance by the~~
 67 ~~publisher of all of the terms and conditions of the contract and payment of liquidated damages as~~
 68 ~~provided for in § 22.1-243 and any damage in excess thereof which may be proved to be sustained by~~
 69 ~~reason of the violation of such terms and conditions.~~

70 The Board shall adopt regulations governing (i) the purchase of textbooks approved by it for use
 71 in the public schools directly from the publishers by school boards and (ii) the distribution of such
 72 textbooks for the use of children attending public schools in Virginia.

73 § 22.1-243. Distribution of textbooks and consumable materials.

74 ~~In the case of any misrepresentation of fact in the contract or upon the violation of any of the~~
 75 ~~terms and conditions required by the provisions of this article, the publisher shall, upon the demand of~~
 76 ~~the Board, pay as liquidated damages the sum of \$1,000 to the Commonwealth of Virginia to the credit~~
